WHEREAS, Palm Beach County remains in Phase 1 in accordance with Executive Order 20-123 and Executive Order 20-139 issued by Governor DeSantis on June 3, 2020. The Phase 1 restrictions allow indoor seating in restaurants at 50% capacity with appropriate partitioning in place between parties. WHEREAS, on July 14, 2020, in consideration of the foregoing, the Palm Beach County Board of Commissioners directed the County Administrator to rescind the County's request to Governor Ron DeSantis for Palm Beach County to enter Phase 2: Safe Smart Step-by-Step Plan for Florida's Recovery; and

WHEREAS, in order to respond to these sharp increases in positive COVID-19 cases and to increase public awareness of the safety and sanitation measures required to protect public health, the County Administrator issued Emergency Order 2020-012 on June 24, 2020 mandating for a thirty (30) day period, the wearing of facial coverings in all businesses, establishments, and in public spaces. WHEREAS, the Centers for Disease Control and Prevention (CDC) has affirmed that cloth face coverings are a critical tool in the fight against COVID-19, citing increased evidence that cloth face coverings help prevent people who have COVID-19 from spreading the virus to others; and

WHEREAS, the CDC is recommending the use of face coverings and on July 14, 2020, called on all Americans to wear masks to prevent COVID-19 spread; and

WHEREAS, Emergency Order Number 2020-012, **Additional Directive on Wearing of Facial Coverings**, shall expire on August 23, 2020, at 12:01 a.m. unless extended by subsequent order or Board of County Commissioners action; and

WHEREAS, considering the most current data on COVID-19 spread in Palm Beach County, Southeast Florida, and the entire State of Florida, as well as the CDC recommendations on wearing of facial coverings, the County Administrator has determined that it is necessary and appropriate to extend Emergency Order Number 2020-012 for an additional thirty (30) days.
