Roadway Widening Project Coming Soon To:

FLORIDA MANGO ROAD

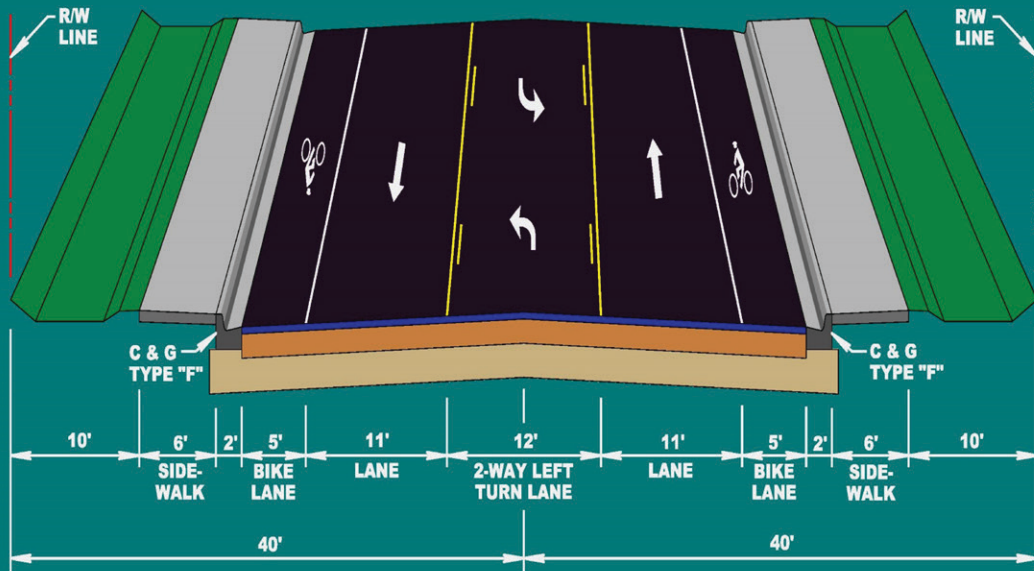

Palm Beach County will widen Florida Mango Road from 10th Avenue North to Edgewater Drive. The existing two-lane roadway will be reconstructed as three-lane roadway with a continuous bi-directional center turn lane, and curb & gutter, paved shoulders, and sidewalks located on both sides of the roadway. The improvements also include replacement of the two bridges over the L.W.D.D. L-10 and L.W.D.D. L-9 Canals.

The project is currently under design, with construction anticipated in 2022.

Additional information is available for viewing on the Roadway Production webpage at:
